

Volunteer Rate

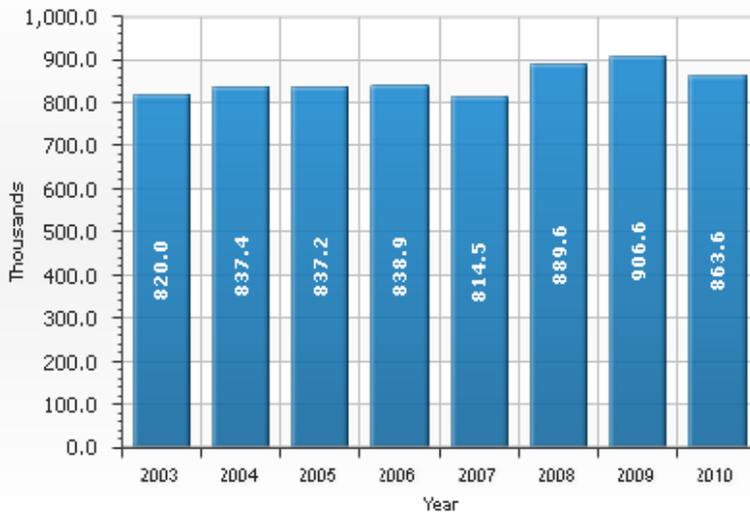

Trends and Highlights

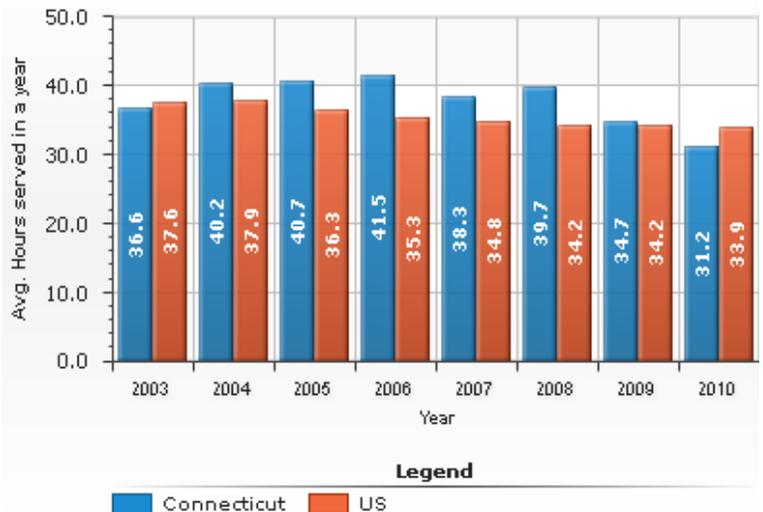

Based on single year data (2010)

- 863,570 Connecticut residents volunteered 86.7 million hours of service through or for a nonprofit or community organization in 2010.
- Service also takes place informally when people work with neighbors to address or fix a community issue. In 2010, 7.3 percent of Connecticut residents volunteered informally, totaling approximately 203,854 individuals.
- In Connecticut, more than 9,300 people participate in national service each year through 1,030 national service projects and programs. This year, the Corporation for National and Community Service (CNCS) will commit more than \$9,400,000 to support the national service initiatives (Senior Corps, AmeriCorps, Learn and Serve America, and other programs) in Connecticut.
