

Volunteer Rate

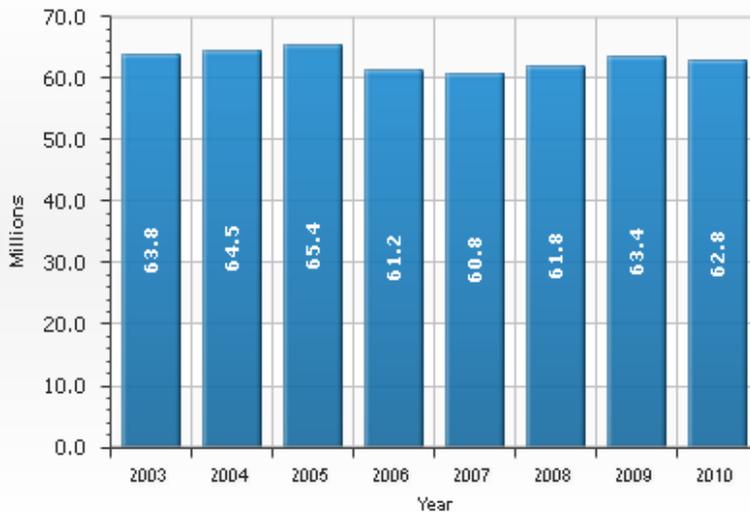

Trends and Highlights

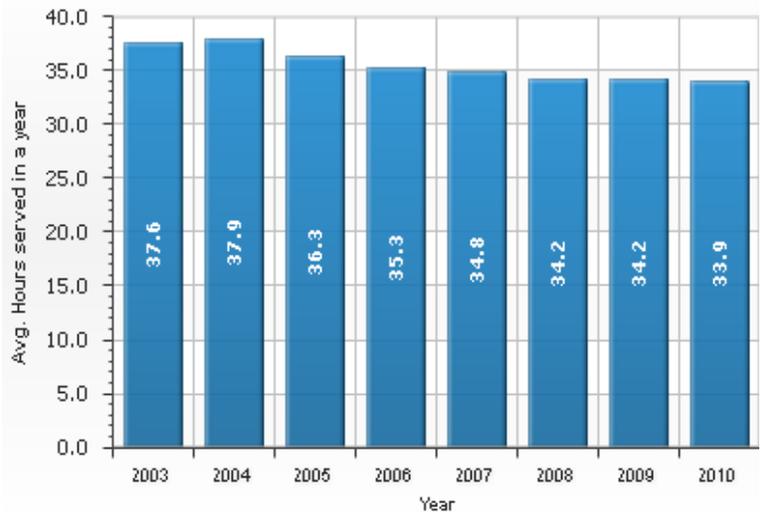

Based on single year data (2010)

- In 2010, the national volunteer rate was 26.3 percent, with 62.8 million volunteers donating approximately 8.1 billion hours of service. The dollar value of this service was nearly \$173 billion (using the 2010 Independent Sector valuation of \$21.36 per hour).
- Generation X, born between 1965 and 1981, has made great strides in volunteering; serving at a rate of 24.7 percent in 2002 compared to 29.2 percent 2010—a difference of 4.5 percentage points. Baby Boomers volunteered at a rate of 28.8 percent and Millennials at 21.2 percent.
- Service also takes place informally when people work with neighbors to address or fix a community issue. In 2010, 8.1 percent of Americans volunteered informally, totaling approximately 19 million individuals.
